

EVERY LIFE HAS A STORY

Banquet Season is fast approaching!

Our theme at Informed Choice of Iowa this year is that every life has a unique story to tell and we get to be a part of the amazing journey of the many lives we save and touch. Thank you for being a part of our story, too!

As we look forward to our fall Banquets, I want to share the exciting news that our speakers this year are **Al and Lisa Robertson**, of ***Duck Dynasty*** fame. They pastored for over 22 years before returning to the family business, and they have their own story of brokenness, hope and forgiveness to share with us. We expect this year's Banquets to be riveting and beautiful as we share in fellowship with Al and Lisa Robertson and fellow believers!

As always, we want to make available to you a chance to help underwrite the Banquet costs so that any fundraising dollars given at the Banquets can go directly to the work of Informed Choices Clinics. Please look over the various ways you can help in this endeavor. We are eternally THANKFUL for your support!

Rachel Owen,
Executive Director

How You Can Get Involved

>>ATTEND

All banquets are FREE to attend.

Registration is required to reserve a seat and meal.

Registration will be available online at InformedChoiceIA.org.

>>GET INVOLVED

Be a **Table Host**. There is no cost to host a table. We ask that Table Hosts invite and fill a table that seats eight people. One person/business can host multiple tables. Please try to invite people who have never been to a banquet as well as people who love coming every year!

>>MAKE IT HAPPEN

Be a **Banquet Sponsor**. Sponsors help underwrite the cost of the banquet. When event costs are covered by our underwriters, every dollar raised can go directly to support Informed Choices Clinics. Sponsor investments are multiplied by creating an event for others to give generously to the work of Informed Choices.

>>Visit InformedChoiceIA.org for more details or to register (*registration opens on 8/21/2017*).
